

Call for Panel Proposals

20th Annual International Scientific Conference

Social Innovations for Sustainable Regional Development

April 25-26, 2024

Klaipėda, Lithuania

We invite proposals for panel discussions as part of the 20th Annual International Scientific Conference on Social Innovations for Sustainable Regional Development.

Panel Overview

This conference offers an exceptional platform for fostering interdisciplinary and collaborative discussions encompassing a wide range of topics within the realms of social and educational sciences, as well as exploring trends and the transformation of higher education in the digital age. Panels are a valuable way to bring together experts and researchers to explore specific themes and share their insights.

Panel Themes

We welcome proposals for panels that align with the conference's overarching theme of higher education transformation and digital challenges. Topics may include, but are not limited to, the following:

- Governance and digital innovation in higher education.
- Strategies for overcoming digital transformation challenges.
- Economic, social, and ecological sustainability of digital transformation.
- Digital learning environments and resources.
- The mismatch between education and the labor market.
- Digital innovation in higher education.
- Integration of digital technologies.

Submission Guidelines

Panel proposals should include the following information:

- Panel title.

- A brief description of the panel's theme and objectives.
- Names and affiliations of the panel organizer(s).
- List of proposed panelists and their affiliations.
- A brief biographical sketch of the panel organizer(s).
- Any additional information that supports the relevance and importance of the panel.

Important Dates

Submission Deadline 01.12.2023

Acceptance Notification: 15.12.2023

Conference Dates: April 25-26, 2024

Why Organize a Panel?

Organizing a panel provides you with the opportunity to lead discussions on a specific topic of interest within the broader theme of higher education transformation and digital challenges. It allows you to bring together experts and researchers to share their perspectives, exchange ideas, and contribute to the conference's collective understanding.

How to Submit

Please submit your panel proposal to alvyda.obrikiene@ku.lt by the submission deadline. We look forward to receiving your proposals and fostering meaningful discussions at the conference.

Join us in shaping the future of higher education in the digital era through engaging panel discussions. We welcome your valuable contributions.
