RN Progress Report

1. Network details

Research Network	RN.1 New Role of HEIs in Front of Globalisation and Global Crises. Values, Mission and Goals For The Future Of HEIs
Coordinator <i>(Name/Surname/Affiliation)</i>	Stefania Capogna Link Campus University s.capogna@unilink.it
Reporting Period (2022 – 2024)	

2. Joint activities

Description of the achievements to date of the Scientific Research Network listing all joint activities undertaken in detail:

During the period 2022-2024 many events and initiatives have been promoted or participated in to disseminate the D-challengHE project and expand the network of stakeholders involved in the HUB. The most important initiatives planned and implemented are listed below.

Seminars

- AIS Conference

Panel: *L'università dell'autonomia all'eteronomia? Come riequilibrare un percorso critico*
Università degli Studi Roma Tre, Dipartimento di Scienze della Formazione - 26/01/2024

Speaker: Stefania Capogna

"L'università di fronte ai cambiamenti"

-Dipartimento di Scienze della Formazione, Università degli Studi Roma Tre - 30/11/2023
Seminar The university facing the digital challenge: from European policies to academic governance

Speaker: Stefania Capogna

<https://d-challenghe.unilink.it/third-d-challenghe-workshop-the-university-facing-the-digital-challenge-from-european-policies-to-academic-governance/>

Workshops

- HEAD Conference 2023

“Workshop n. 3: Reinventing University: the Digital Challenge in Higher Education”

Chair: Stefania Capogna & Erika Zuperkiene

Valencia, Spain - 19-22/06/2023

<https://archive.headconf.org/head23/w3-reinventing-university-the-digital-challenge-in-higher-education-workshop/index.html>

- SKILLMAN International Forum 2023

The planet of skills. Revised Perspective on Networking Potential

9TH EDITION SIF 2023

Workshop *“The Impact of digitalization on Higher Education”*

Chair: Stefania Capogna, Erika Zuperkiene

Riga, 26 SEPTEMBER 2023

<https://d-challenghe.unilink.it/wp-content/uploads/2023/11/SIF2023-WorkShop-Official-Program.pdf>

- HEAD Conference 2024

Workshop n. 1: *“Reinventing University: the Digital Challenge in Higher Education”*

Chair: Stefania Capogna, Erika Zuperkiene & Maria Chiara De Angelis

Valencia, Spain - 18-21/06/2024

Published Data²

¹ Use **ASA Bibliographical Style** and the following classification for publications:

Articles: A1: Peer reviewed articles in scientific journals; A2: Non-peer reviewed articles in scientific journals.

Books: B1: Author or co-author of published books (limited to books published by a scientific publishing company; no syllabuses, no theses); B2: Chapters in books (no conference proceedings); B3: Books as editor (including editor of conference proceedings).

Other publications: C1: Papers in proceedings of scientific conferences, that do not belong to any of the previous categories (full articles, no abstracts); C2: Doctoral dissertations; C3: Patents; C4: All other publications that are relevant to the project and that cannot be included in any of the previous categories, including preprints.

² Provide a list of datasets resulting from the funded scientific research network that were made publicly available. Specify the bibliographical reference to this dataset (or minimally Author(s) – publication year – title), provide the identifier (DOI, URL, handle, ARK, PURL or URN) and specify the open access status (open, under embargo, restricted or closed).

- **Observatory Open Data set:** <https://d-challenghe.unilink.it/observatory/>

Other academic output³

5. Science outreach and public engagement strategy

D-ChallengHE encourages its researcher networks to disseminate their research findings widely, beyond an academic audience, and to utilize them where possible. If available, add a URL to a digitally available object (e.g., newspaper article, blog post, video).

To expand the research network D-challengHE project define an agreement with Skillman.eu network to favour dissemination and collaboration with other networking platform

*The web site is regularly updated by the Link Campus team to favour continuous updates
Memeber enrolled in the Research Network HUB receive regular e-mail in order to Call or opportunity related to the HUB*

**In data 23/01/2024 e 20/07/2024 abbiamo mandato alla contact list di partner istituzionali l'invito a partecipare ai research networks ([20240123 Comunicato MailingList RN](#)). 97 contatti.*
